PZ2 Specifications

Flush mounted to the table or seat armrest for a custom, integrated look. The PZ2 is a Piezo based button with a machine finish look, our most vandal resistant, low profile, dust and water proof. When activated the PZ2 has an attractive LED illuminated ring. Available in Blue, Red, or Green to match your decor. Add function and elegance with the optional "Push for Service" bezel. The PZ2 can be used with any of our transceiver products, InSeat Transceiver, T1000 or T1000M2.
